

JMAKALE GROUP LIMITED

Company Profile

About Us

JMAKALE GROUP LIMITED is a newly established Tanzanian company registered under BRELA with Incorporation Number 190001199. The company was founded with a clear mission to connect Tanzania's abundant natural resources and agricultural products to both local and international markets through quality, reliability, and integrity.

We operate as a multi-sectoral supply and export company, dealing in fisheries products, nuts, mining machinery and spare parts, agro products, gemstones, stationery, cereals, and legumes. Our diverse business portfolio allows us to serve a wide range of industries — from agriculture and mining to trade and manufacturing.

We believe that Tanzania's resources deserve a global presence. Guided by strong business ethics and a customer-first approach, we focus on delivering top-quality products that meet international standards while supporting local producers and promoting sustainable growth.

With a team of experienced professionals and a growing network of suppliers and clients, JMAKALE GROUP LIMITED stands ready to become a trusted name in supply and export services across Africa and beyond.

Our Mission

To build lasting bridges between Tanzania's natural abundance and the world by supplying and exporting products that carry our country's integrity, hard work, and promise. We exist to create value at every step from the farmer and fisherman to the global buyer through honest trade, consistent quality, and partnerships that uplift communities and strengthen industries.

Our Vision

To become a trusted global name born from Tanzania — a company that defines excellence in multi-sector supply and export, known for reliability, fairness, and the positive impact we leave on people, markets, and the planet.

Our Core values

Integrity

We believe that trust is built one transaction at a time. Every promise we make, we keep with honesty guiding all our actions and partnerships.

Quality

From sourcing to delivery, quality is the heart of what we do. We never settle for less because our clients deserve products that meet and exceed expectations.

Sustainability

We value the people and environments that make our business possible. Our practices support responsible sourcing, fair trade, and community growth.

Partnerships

We grow by helping others grow. Our clients, suppliers, and employees are part of one ecosystem built on respect, reliability, and shared success.

Innovation

We continuously improve how we source, package, and deliver — not for show, but to make trade smoother, faster, and more meaningful for everyone involved.

Customer-focused

We listen, adapt, and deliver solutions that fit our clients' needs. Every customer is a partner, not just a buyer.

Fisheries Products

Our operations emphasize quality handling, hygiene, and freshness from the moment of catch to processing and packaging. We partner with trusted fishermen and cooperatives across major fishing zones to ensure a consistent and sustainable supply that meets both local and international market standards.

Whether for wholesale distribution, export, or food processing industries, our fisheries products are known for their natural flavor, nutritional value, and reliability of supply. We remain committed to promoting Tanzania's fisheries sector globally while supporting the livelihoods of local fishing communities.

Nuts & Oils

We high-quality cashew nuts, cashew kernels, and groundnuts, carefully sourced and processed to meet both local and international standards. We don't just supply products — we provide reliable solutions for businesses that depend on consistent quality and timely delivery.

Our customers benefit from fresh, nutritious, and premium-grade nuts that enhance their brand, satisfy their clients, and streamline their operations. By choosing JMAKALE GROUP LIMITED, you gain a trusted partner who understands your needs, ensures supply chain efficiency, and helps you confidently deliver value in every order.

We source our products directly from trusted farmers and cooperatives, ensuring that every batch meets strict quality standards. Our nuts are carefully processed, sorted, and packaged to preserve freshness, taste, and nutritional value.

Agro Products

We supply a wide range of agricultural products, including rice, wheat flour, and bananas, sourced from trusted Tanzanian farms. Every product is handled with care to ensure freshness, quality, and consistency.

These products give you confidence and convenience, whether you are sourcing for processing, retail, or export. With reliable supply and uncompromising quality, you can focus on growing your business and meeting the needs of your clients without worrying about delays or inconsistency.

You're not just getting products — you're partnering with reliability, quality, and consistency, turning everyday staples into a foundation for growth and success.

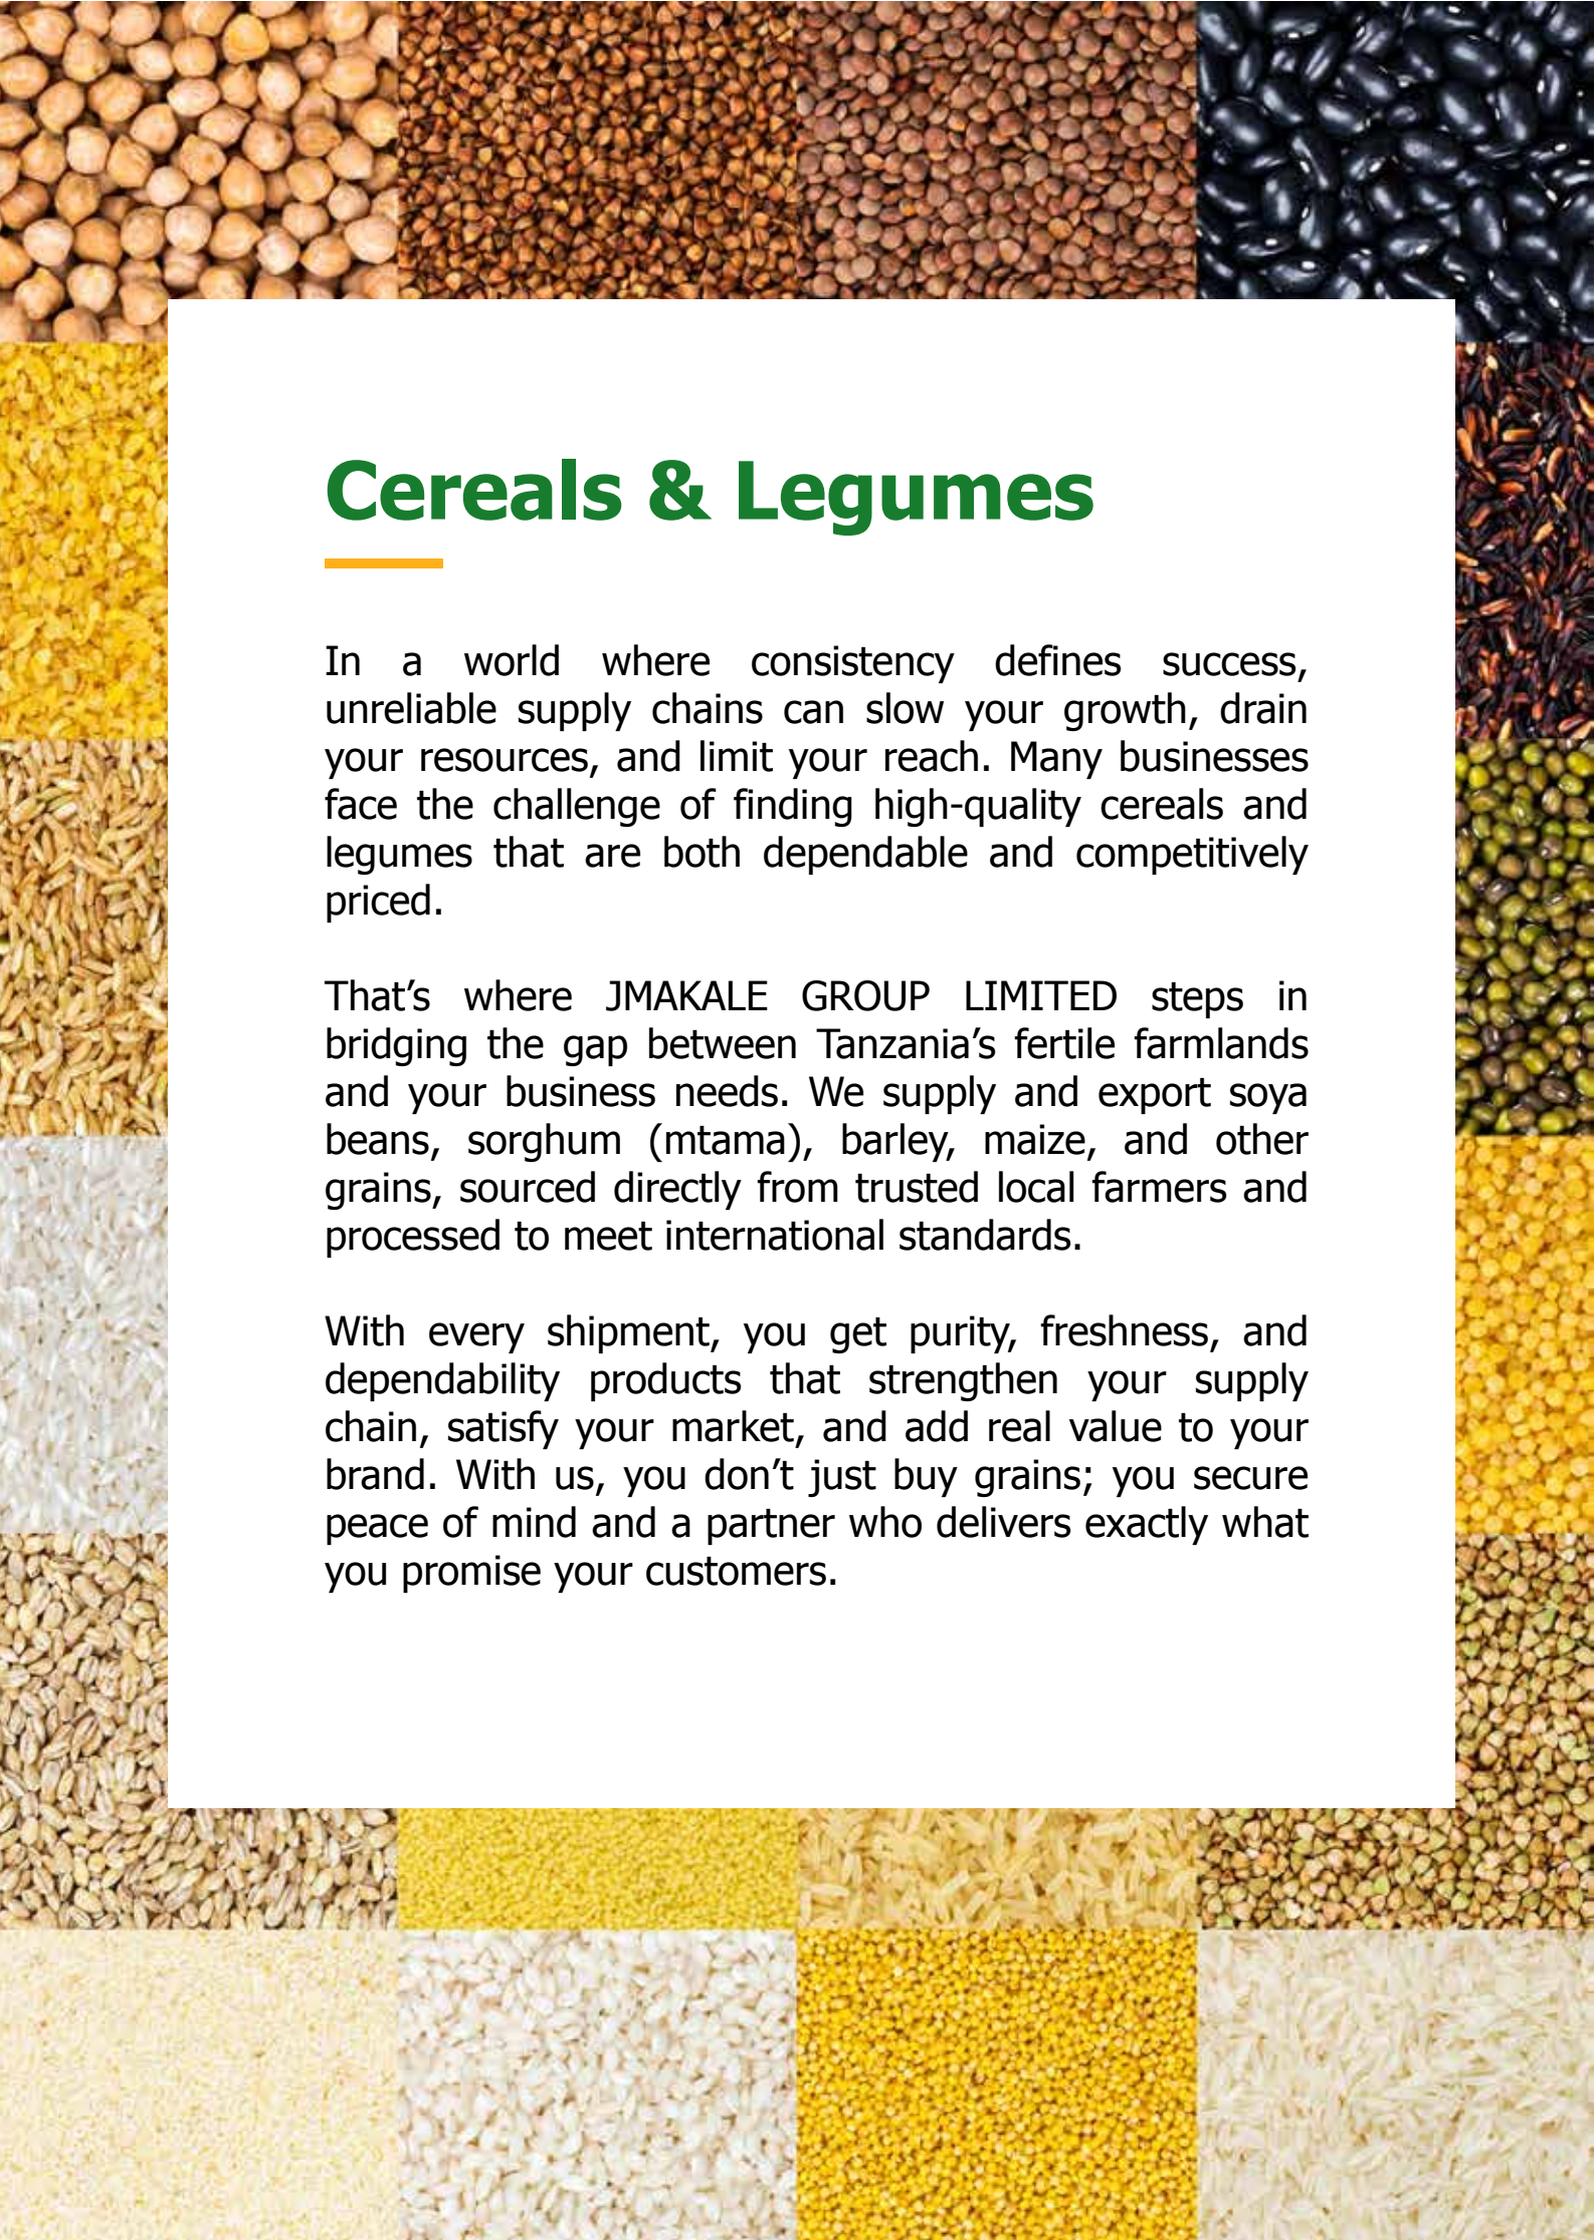

Gemstones

We engage in the sourcing, sales, and export of authentic gemstones and precious stones from Tanzania home to some of the world's most sought-after minerals, including Tanzanite, rubies, sapphires, and emeralds. Each stone is carefully selected, graded, and handled to ensure its purity and value are preserved.

When you choose our gemstones, you gain access to certified and ethically sourced treasures that meet international standards and speak to the rich beauty of Tanzania's land. Whether you're a jeweler, collector, or investor, our stones offer both aesthetic appeal and lasting value.

Cereals & Legumes

In a world where consistency defines success, unreliable supply chains can slow your growth, drain your resources, and limit your reach. Many businesses face the challenge of finding high-quality cereals and legumes that are both dependable and competitively priced.

That's where JMAKALE GROUP LIMITED steps in bridging the gap between Tanzania's fertile farmlands and your business needs. We supply and export soya beans, sorghum (mtama), barley, maize, and other grains, sourced directly from trusted local farmers and processed to meet international standards.

With every shipment, you get purity, freshness, and dependability products that strengthen your supply chain, satisfy your market, and add real value to your brand. With us, you don't just buy grains; you secure peace of mind and a partner who delivers exactly what you promise your customers.

Mining Industry Supplies

Every successful mining operation depends on one thing above all reliability. The reliability of machines, tools, and the people behind them. We supply mining machinery, spare parts, and industrial equipment that keep your operation moving without interruptions.

We understand the high stakes in mining downtime costs money, efficiency drives profits, and trust builds partnerships. That's why every product we supply is tested, durable, and built for performance in the most demanding conditions. Whether you're sourcing critical spares or full-scale machinery, we make sure you get the right solution, on time, every time.
